

Public Participation Form

Citizens are invited to make comments to the Board. Board members should NOT be expected to discuss in detail issues presented at this time. We ask citizens to limit comments to 3 minutes. In the event public comments exceed a half-hour, the Board will continue with the regular agenda and resume public comments after Board business has been completed. Public comments are restricted to agenda items only.

All individuals who comment during the public comment period are reminded that the information provided in this forum is intended to provide information to the Board so that it can fulfill its role. In that vein, all parties are reminded that all information offered be truthful and honest. False statements or stigmatizing charges may subject the individual making such statements to legal repercussions, including, but not limited to, defamation claims.

Comments that identify students shall be subject to the Wisconsin pupil records law and FERPA. As such, student information that is not directory data as designated by the board, for example individual student behavioral or progress records, shall not be discussed in this forum. Comments that identify personnel are subject to the applicable personnel records statutes in section 19.36(10), Wis. Stats. The Board may inform the speaker that his/her comments are not permitted if in the opinion of the Board it is not subject to release under the above applicable standard.
