

Richmond School District Policy Statement

Health and Safety in District Facilities and Programs

Policy #: 720

The purpose and goals of the District's overall safety program include all of the following:

1. Provide a safe and healthy school and work environment for students and employees;
2. Protect the safety of students, employees and other persons present on District property and at school-sponsored events to the extent reasonably possible;
3. Facilitate compliance with applicable health and safety laws, codes, and regulations;
4. Minimize mechanical hazards and unsafe conditions in school facilities and on school grounds so as to prevent accidents;
5. Facilitate appropriate responses to safety-related incidents and to the discovery of conditions that present a danger to safety.
6. Inform students and employees of acceptable safety procedures and practices;
7. Develop an attitude of safety-mindedness among students; and
8. Develop an attitude of safety-mindedness among staff that will help ensure a safe and healthy school and work environment, appropriate safety instruction, and enforcement of safe practices among students.

The District Administrator has primary responsibility for the coordination and management of all activities related to safety and health considerations affecting District buildings and other District facilities. The principal shall assume such safety-related responsibilities as may be directed by applicable law, by applicable District policies, plans, and procedures, or by the District Administrator, the district-wide safety coordinator, or their designee.
