

Tyler SIS Student 360 Mobile

Overview

Tyler SIS Student 360 is available as both a web application and mobile app. Both the web and mobile versions can be used by parents, students, and staff. This document describes the mobile phone app version of Tyler SIS Student 360 available on both iOS and Android. It can be downloaded from the Apple iTunes iOS App Store and the Google Play App Store.

The app is compatible with iPhones and iPads running iOS 8.4 or later and Android devices running Android 4.4 and later. While Tyler SIS Student 360 Mobile is compatible with larger devices, it contains a subset of the features available in the browser application. You can use the browser app on larger devices with Chrome on Android and Safari on iOS.

The iOS and Android versions are similar, but differences in hardware and platforms result in slightly different appearances on some screens. Such differences are highlighted in this document.

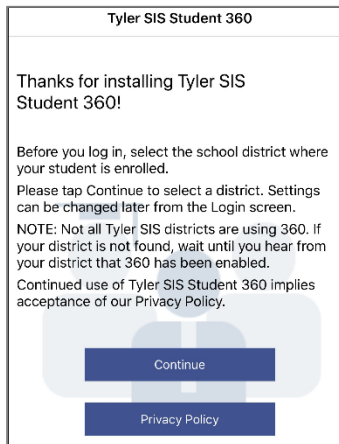

Installing Tyler SIS Mobile

In Apple iTunes or Google Play search for **Tyler SIS Student 360**. The app is free.

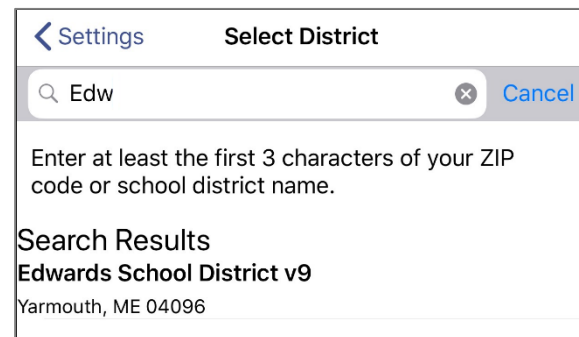

- [Android](#) (Phone and tablet)
- [iOS](#) (iPhone and iPad)

Logging in

When the app starts, read the introductory message then tap **Continue**.

Enter at least the first three letters of the district's name or the first three digits of the district's ZIP code. In the Search Results, tap the district where your student is enrolled to proceed to the login page.

If you select the wrong district or need to change districts, you may do so later; before logging in, tap the gear icon () to access the Settings screen and tap **Select District**.

Note: If for any reason you cannot find your district on the search screen, please wait until you receive an announcement from your district that Tyler SIS Student 360 is available.

To log in as a **Parent** or a **Student**, tap the appropriate tab. Enter the same Name and Password that you use to log into the Tyler SIS Student 360 website. Optionally, save the most recently entered User Name, by tapping the toggle switch (for security, passwords are not saved). Then tap **Login**.

Biometric Authentication for Login

The latest Android and IOS phones allow you to enable fingerprint/face recognition security. If you have enabled this feature on your phone, you may activate it for Student 360 Mobile.

On the login screen, ensure that **Remember User Name** is on and log in. Click the Gear icon to access **Preferences**. When the app detects that the fingerprint/face recognition feature is active, tap to enable it. When prompted, scan your fingerprint (or face) to confirm.

Version 2.6.3 (1.0)

Log out, start the app again, and respond when prompted by scanning your fingerprint (or face). You may deactivate the feature any time on the Preference screen.

Navigating Tyler SIS Student 360 Mobile

Apple devices have no Back button, so a standard left-pointing arrow at the top of the screen takes you back to the previous page.

Android devices have a built-in Back button, either at the bottom of the screen or as a hardware button on the device. You may use those buttons or the arrow at the top to return to the previous screen.

The Tyler SIS Student 360 application Top Bar has icons that help you navigate in the app.

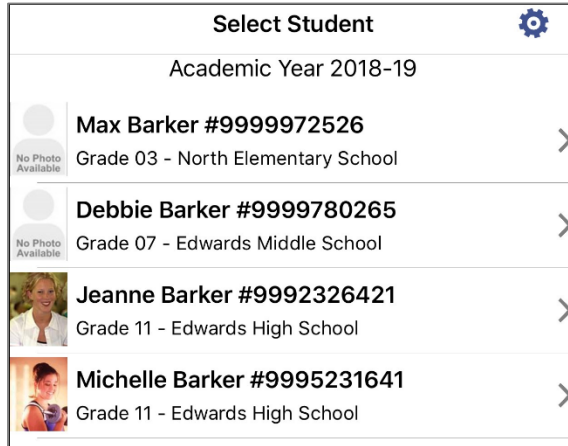

-  – Return to the list of students (hidden if logged in as a student, or if only one student is found in the household).
-  – Change academic year (or Transaction History in Online Payment).
-  – Access user Preferences. The Preferences available depend on the options enabled by your district, and whether you are logged into Student 360 as a parent, student, or staff member.
-  – Return to the Home screen; for parents, Select Student, for students, Student Summary.

Select Student

If you are logging in as a parent and your household has more than one student, the first screen is **Select Student**. Actively-enrolled students display with their photos (or a placeholder if their photo isn't in Tyler SIS) along with their name, student number, enrolled school, and grade level. Tap the arrow to the right of the student to access their Student Summary.

Note: When a student logs in, they see only their own Student Summary screen, regardless of how many other students are in the household.

iOS

Android

Student Summary

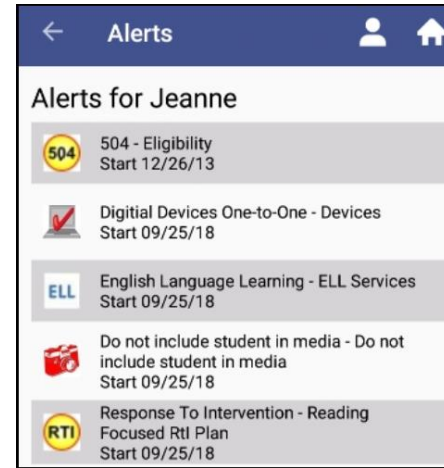

The Student Summary screen shows all of the areas available in Tyler SIS Student 360 for the selected student. It may be necessary to swipe up to see the full list. Note that some of these items shown here may not appear if they are not enabled by your district.

At the top of the screen on the left, the student's name, ID number, primary enrollment school, and grade level are displayed, while the student's photo appears on the right (or a placeholder if their photo isn't in Tyler SIS). You may tap the student's photo to enlarge it (tap again to return to the small size).

Some tiles may appear yellow to indicate that there is a recent change to see. In this case, the Fees & Billing tile is yellow to indicate that the student has a payment due. To see the data associated with each tile, tap the tile to be taken to that screen.

Students with alerts display icons similar to the samples below. Tap any icon to see a details about the alerts.

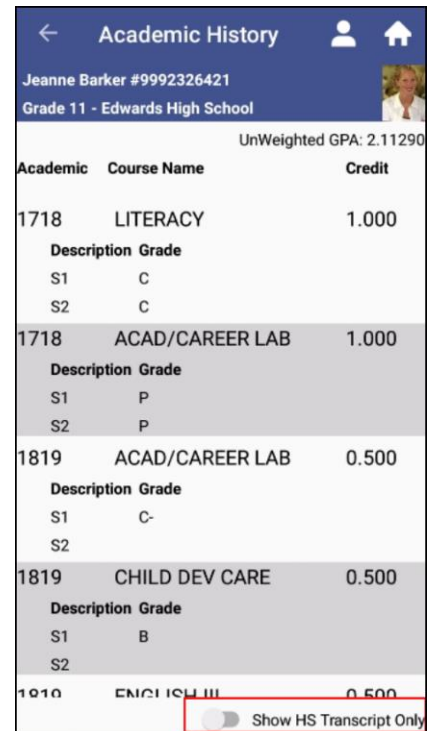

Academic History

The Academic History screen displays all of the student's grades sorted by school year and course. For grades 9-12, their current GPA appears on the right below the basic student data.

If their primary enrollment school is a high school, you may tap **Show HS Transcript Only** to limit the screen to grades 9-12. Each row shows information about a course.

- **Academic** – The academic year the student took the course.
- **Course Name** – The title of the course.
- **Credit** – How many credits the student has earned in completed terms.
- **Description/Grade** – The term and the grade earned during that term.

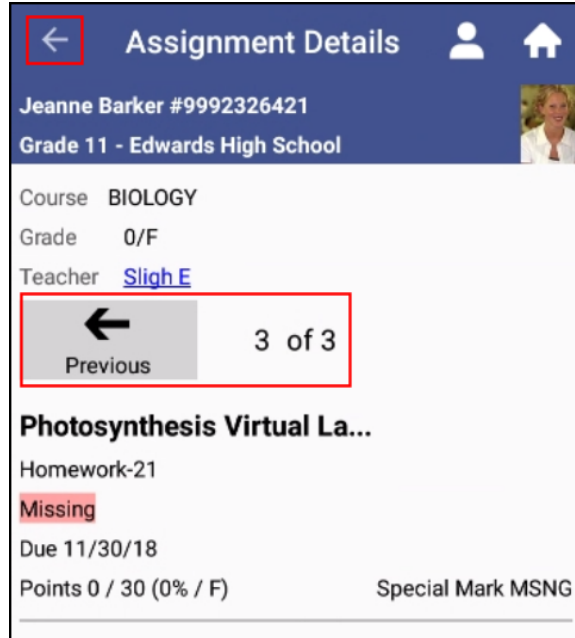

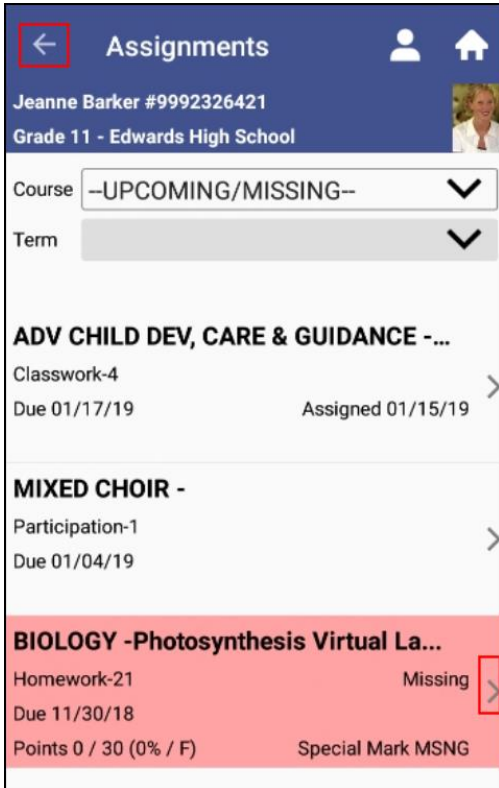

Tap  to select another student in the household then return to Academic History for that student or the back arrow to return to the Student Summary for the current student.

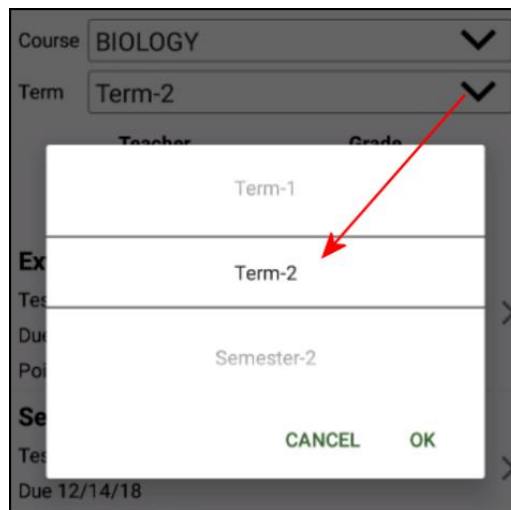

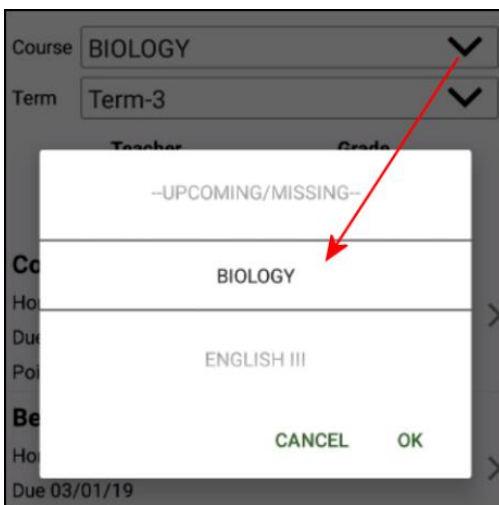

Assignments

By default, all upcoming and missing assignments from any course are displayed. Missing assignments display as red.

Tap an assignment's arrow to see details about that assignment. If the teacher has a link, tap to send an email. Note that Previous/Next and an arrow appears with a count of assignments (3 of 3). Tap this to move through the Upcoming/Missing assignments. Tap the arrow next to Assignment Details to return to the Assignments list.

To view a course's full list of assignments, tap the first dropdown bar, swipe up/down to select a course, and tap **OK**. After selecting a course, tap the second dropdown bar if you wish to select a specific term; by default, the current term is selected.

The selected course/term assignments are listed. The teacher name/link and student's grade for the term is displayed above the assignment list. Each assignment shows its title, type (test, homework, etc.), and due date. If it has received a grade, it shows points received/possible and a calculated mark/letter grade. Note that the first assignment shown here is extra credit so no grade is calculated.

Each assignment that has not received a grade from the teacher shows a color-coded status.

Attendance

The Attendance screen shows all of the dates where the student was absent for all or part of the day. By default, absences are displayed By Date (Entire Year). Each date with an absence code is listed. Tap a date's arrow to see the periods/courses for which the student was absent and any associated comment, if present. Tap the arrow at the top to return to the Attendance screen.

The left screenshot shows the 'Attendance' screen for Jeanne Barker (#9992326421) at Edwards High School. It displays attendance statistics: Days 53.00 of 54.00 (98.15%) and Hours 288.75 of 302.30 (95.52%). The view is set to 'By Date (Entire Year)'. A table lists absences:

Date	Type	Duration	Codes
Fri 03/22/19	Absent	8 Periods	E >
Mon 03/04/19	Absent	3 Periods	E >
Wed 02/13/19	Absent	8 Periods	R >
Thu 02/07/19	Absent	3 Periods	E >

The right screenshot shows the 'Attendance Detail' screen for Mon 03/04/19. It includes a 'Comment' field with a red arrow pointing to it, and a 'Check-Out at 12:15 pm' note. Below is a table of courses:

Meets	Section	Course	Term	Code
P6	H2060-07	AMERICAN HIST	Year	E
P7	H5330-01	MIXED CHOIR	Sem2	E
P8	H9036-04	SEMINAR 11	Year	E

Tap the **View** arrow to select a different time period for absences; display these records arranged four ways:

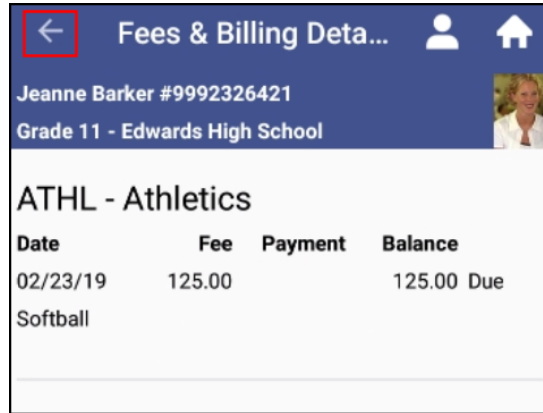

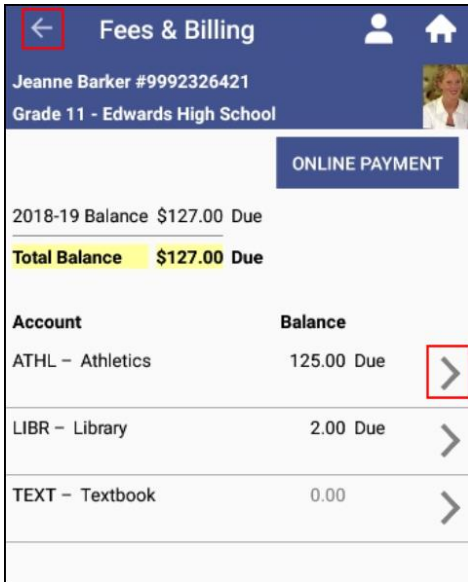

- **By Date (Entire Year)** – Shows the absences in reverse-chronological order.
- **By Course Schedule (Today Only)** – Shows all absences, but only for courses that meet today.
- **By Course Schedule (This Term)** – Shows all absences, but only for courses that meet this term.
- **By Course Schedule (All)** – Shows all absences for all enrolled courses.

Tap **Legend** to see a list of absence codes at your site (may differ from the example below).

Code	Description
E	Excused
M	Medical on File
R	Truant

Fees & Billing

The Fees & Billing screen shows any fee accounts where the student has had activity within the school year. Fee balances owed to the school are noted as **Due**, and fee credits (usually in the form of overpayments) are noted as **Credit**. Tap an account's arrow to see the details of an account.

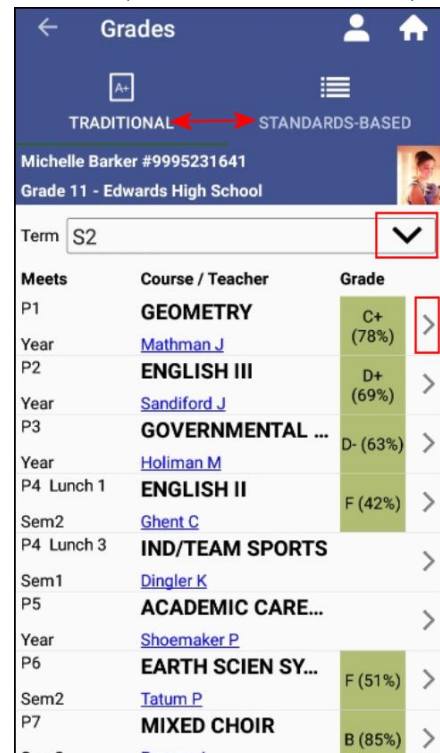

Grades

The Grades screen shows both posted report card grades and in-progress marks for terms that have not yet been posted from the teacher's gradebook. Each course displays with its name, the period it meets, the teacher, and the term grade. If the teacher has an email address, the name is underlined; tap a teacher's name to start an email to the teacher.

By default, traditional grades are displayed, tap **Standards Based** to display the courses' standards marks.

Grades that are in-progress (calculated from the gradebook) display in green, while posted grades display with no highlight. Tap the **Term** drop-down to select a term.

Tap the arrow next to any course to see the Grade Detail screen.

Tap the Previous/Next arrows at the top to see each term or progress mark and any associated standards at the bottom.

Meal Service

The Meal Service has two views: Activity and Menu. The Activity screen shows by default and lists all of the student's account activity. Each date displays with an activity total and the running balance. If available in your district, tap **Online Payment** to deposit into student accounts. Tap a date to see all of the transactions for that date.

Tap **Monthly Menu** to show what is planned for school lunch in the cafeteria for the next 30 calendar days.

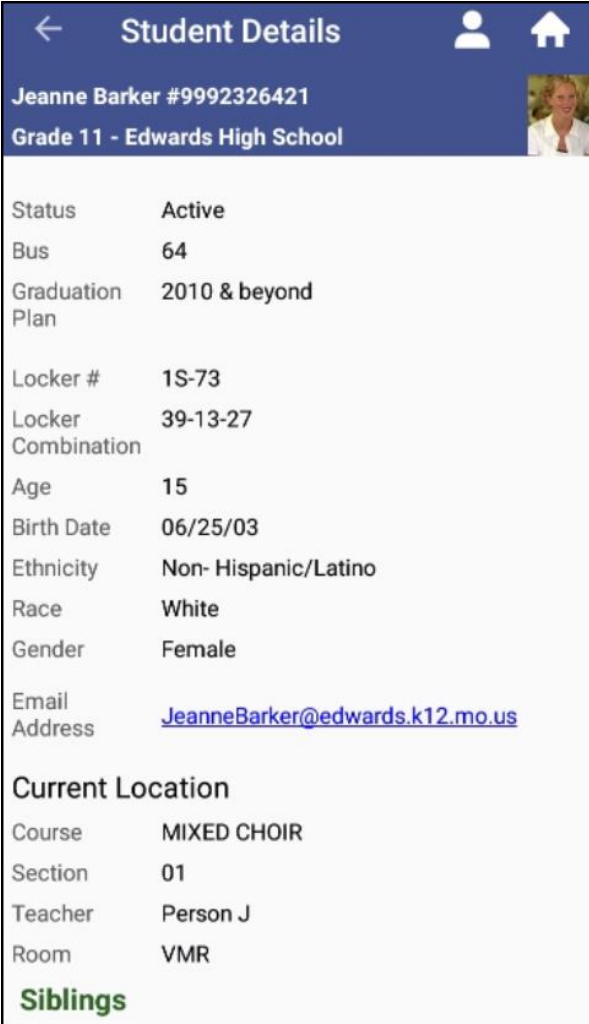

Student Details

The Student Details screen shows contact and personal information about the student. The screen shows the student's name, ID, grade level, primary enrollment school and picture at the top. The data below includes enrollment status, bus, graduation plan (9-12), age, birthdate, ethnicity, race, gender, and email address. If today is a school day and you're looking during school hours, the student's current location displays.

It may be necessary to swipe up to see all of the data. The remainder of this screen is split into four sections:

- **Siblings** – Other students in the same household.
- **Contacts – Household Parents** – The contacts that live at the student's mailing address (only displays if the logged in parent is this type of contact).
- **Contacts – Additional** – The nonresident parents (only displays if the logged in parent is this type of contact).
- **Contacts – Emergency** – The emergency contact information for the student.

Student Schedule

The Student Schedule screen shows the courses in which the student is enrolled. Each course displays with Meets (period), Term, Course title, teacher, and room number. If the teacher has an email address the name is underlined; tapping a teacher's name starts an email to the teacher.

Tap the arrow next to any course to access that course's Assignments, Attendance, Grades, or Email the Teacher.

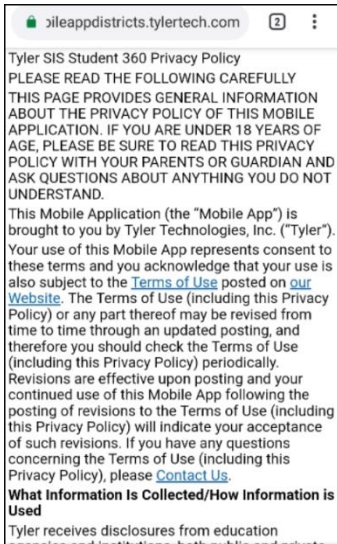

Tap the **View** arrow to change the schedule to This Term or All Year.
